

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

THE WILSON BULLETIN

is mailed on the fifteenth of March, June, September and December, by the Wilson Ornithological Club at Oberlin, Ohio, edited by Lynds Jones.

Subscription: One Dollar a year, including postage, *strictly in advance*. Single numbers, 30 cents, unless they are "Special" numbers, when a special price is fixed. The BULLETIN, including all "Special" numbers, is free to all paid up members, either Active, Associate, or Honorary, after their election.

Subscriptions may be addressed to the editor, or to Mr. W. F. Henninger, New Bremen, Ohio.

Advertisements should be addressed to THE WILSON BULLETIN, Oberlin, Ohio. Terms will be made known upon application.

All articles and communications intended for publication, and all publications and books for review, should be addressed to Lynds Jones, Oberlin, Ohio.

Articles of general interest relating to bird life are solicited. They should be in the hands of the editor not later than the fifteenth of the month preceding publication.
